

ACCESSIBILITY STATEMENT

Vitalfarco srl is committed to making its website accessible, in accordance with Legislative Decree no. 106 of 10 August 2018, which transposed EU Directive 2016/2102, and in line with the requirements of the **European Accessibility Act (EAA)**, a European Union law created to improve the accessibility of digital products and services for persons with disabilities and the elderly.

This accessibility statement applies to the website: vitalfarco.com.

1. Compliance Status

This website is partially compliant with the requirements of the EN 301 549 standard and the WCAG 2.1 guidelines at AA level, due to the non-compliances listed below.

Note: The company has launched a monitoring and technical adjustment plan to promptly resolve the limitations encountered.

2. Non-accessible Content

The content listed below is not accessible for the following reasons:

- Lack of text alternatives: Some graphic elements, promotional banners, or product images may lack adequate alternative text (alt text) for screen reader navigation.
- Navigation and shortcuts: Certain third-party widgets (such as the Instagram social wall or complex contact forms) may present limitations when using keyboard-only navigation.
- Link text: Some links or buttons use generic text (e.g., "Discover" or "Learn more") that does not uniquely describe the destination when taken out of its visual context.
- Content hierarchy: On some pages, the heading structure (H1, H2, H3 tags) does not follow a linear, logical order.

3. Preparation of this Accessibility Statement

This statement was prepared on 16/10/2026.

The assessment was performed via a self-assessment conducted directly by the website operator and supported by automated web accessibility analysis tools.

The company is committed to complying with the recommendation to periodically review (at least annually) the accuracy of the statements contained in this accessibility statement.

4. Feedback Mechanism and Contact Information

To report accessibility flaws or digital barriers, or to request information and non-accessible content in an alternative format, you can send a communication to the following dedicated contacts:

- Email: web@vitalfarco.com
- Phone: +39 02 36526956
- Postal Address: Vitalfarco srl, Via Antonio Canova 8-10, 20094 Corsico (MI), Italy

We commit to providing a response or processing the report within the timeframes established by law.
