## IL SISTEMA DI NUMERAZIONE

Il primo numero indica il livello o altezza di tono,  
il secondo il riflesso primario  
ed il terzo il riflesso secondario  
(esempio 5.62 = castano chiaro - rosso - irisée).

## THE CODE SYSTEM

The first number denotes the colour level,  
the second indicates the primary shade  
and the third the secondary shade  
(i.e. 5.62 = light brown - red - irisée).
